V1

DDDDDD GGGGGG DD D DD D
Your little daughter's in the car seat and your baby boy's on the way
DDDDDD GGGGGG DD D DD D
Your little daughter's in the car seat and your baby boy's due any day.
DDDDDD GGGGGG DD g f# e d
You've got your young wife growing older, stressing, earning all of the pay.
DDDDDD GGGGGG AA d db b A
Got baby's Grandma Grandpa lending a hand to show those babies the way.
Asus4x2 A A Em C D
But you seem to think you can drink and sleep and piss the days away.
Dsus4 D Em C D
Yeah, you seem to think you can drink and sleep and play your days away

Pre-Chorus

Em Cadd9 D Dsus4 D Dsus24 D
When you married you vowed it for two, did you mean that empty bottle and you...
Em C D Dsus4 D Dsus2 D
So many things you could do but it's still just that empty bottle and you. ...wake up
DDDDDD GGGGGG DD D DD D
your daughter's in the car seat and your baby boy's on the way.
DDDDDD GGGGGG AA d db b A
your little daughter's in the car seat and your baby boy's due any day.

V2

DDDDDD GGGGGG DD D DD D
You said you'd make it right when you spent a couple months away.
DDDDDD GGGGG AA d db b A
But she's still lonesome, fearful, struggling alone in her life every day... Baby's
DDDDDD GGGGGG DD g f# e d
Grandma, Grandpa help glue it together along the way.
DDD Em C DD D DD D
You've got your daughter in the car seat and your baby boy's due any day.
Em C D Dsus4 D Dsus24 D
Should be a time to rejoice, but from your shoulder speaks that demon's voice,
D G D
so now your bottle's empty and your eyes glazed and far away, yeah
D G D
now your bottle's empty and your eyes glazed and far away.

Chorus

Em Cadd9 D Dsus4 D Dsus24 D
 When you married you vowed it for two, did you mean that empty bottle and you...
 Em C D Dsus4 D Dsus2 D
 So many things you could do but it's still just that empty bottle and you.
 Em Cadd9 D Dsus4 D Dsus24 D
 All have tried to show forgiveness and grace, you just spit it back in everyone's face.
 Em Cadd9 D Dsus4 D D
 It's time to make your stand, drop your addiction, find your inner man . . .
 Em Cadd9 D Dsus4 D Dsus24 D
 I can't make it any more clear, you touch upon our innermost fears 'cuz . . .
 DDDDDD GGGGGG DD Dsus4 Dx2
 Your little daughter's in the car seat and your baby boy is on the way.
 DDDDDD GGGGGG D
 Your little daughter's in the car seat and your baby boy due any day.

That Empty Bottle

Your little daughter's in the car seat and your baby boy's on the way.
 Your little daughter's in the car seat and your baby boy's due any day.
 You've got your young wife growing older, stressing, earning all of the pay.
 Got baby's Grandma, Grandpa lending a hand to show those babies the way.

But you seem to think you can drink and sleep and piss the days away.
 Yeah you seem to think you can drink and sleep and play your days away.

When you married you vowed it for two, still is, that empty bottle and you . . .
 . . . wake up your daughter's in the car seat and your baby boy's on the way,
 . . . your little daughter's in the car seat and your baby boy's due any day.

You said you'd make it right when you spent a couple months away.
 But she's still lonesome, fearful, struggling alone in her life every day.
 Baby's Grandma Grandpa help glue it together along the way.

You've got your daughter in a car seat and your baby boy's due any day.
 Should be a time to rejoice, but from your shoulder speaks that demon's voice,
 so now your bottle's empty and your eyes glazed and far away,
 yeah now your bottle's empty and your eyes glazed and far away.

So many things you could do, but still it's just that bottle and you.
 All have tried to show forgiveness and grace, you just spit back in in everyone's face.
 It's time to make your stand, to find that inner man . . .
 I can't make it any more clear, you touch upon our innermost fears . . .

. . . cuz your little daughter's in the car seat and your baby boy is on the way. . .
 . . . your little daughter's in the car seat and your baby boy due any day.
